

JOHN GLENN COLLEGE OF PUBLIC AFFAIRS

Bachelor of Arts Degree Requirements for Students Fulfilling the General Education

The following lists semester courses. For quarter courses, use the approved quarter version; some quarter courses were not converted to semester courses. In addition, some quarter sequences were not converted to semester equivalents, especially in the foreign languages and the natural sciences. If you have completed some or all of a sequence of courses on the quarter calendar, consult your advisor to determine course selection on semesters.

Goal

Ohio State's General Education (GE) is an integral part of the Bachelor of Arts in Public Affairs curriculum. General education provides the development of knowledge, perception, attitudes, and skills necessary to understand society's traditions and past, its accomplishments and aspirations, its relation and responsibility to the natural world, its diversity and plurality, and its problems and needs. The goal is for you to attain a sense of self within society that invites a continuing desire and ability to learn and work with others for future realization of the human potential. Specific goals aimed toward the broader goal of the GE are listed below under the five categories of the curriculum.

The John Glenn College of Public Affairs

The John Glenn College of Public Affairs is a nonpartisan, interdisciplinary unit of The Ohio State University, reporting directly to the Provost's Office. The school serves to inspire and develop leadership by:

- Promoting the development of leaders through graduate and undergraduate education, internships and co-curricular programs
- Promoting civic engagement among citizens of all ages
- Enhancing the quality of public service
- Creating and disseminating the highest quality policy research

Your Responsibility as a Student

You are responsible for knowing the published policies governing the curriculum you are pursuing, as well as the regulations and procedures of the college and the university. The Bachelor of Arts curriculum sheet should be used in conjunction with the degree planning information and college policies, published online, at glenn.osu.edu.

Prerequisites

You are responsible for fulfilling all prerequisites to courses in which you enroll. Failure to satisfactorily complete prerequisites may delay graduation.

General College Requirements

You must earn a minimum of 121 semester credit hours to earn a degree from the Glenn College. In addition to the General Education, you will complete general major and specialization requirements and elective course work to reach a minimum of 121 credit hours.

JOHN GLENN COLLEGE OF PUBLIC AFFAIRS

Remedial courses (courses at the 10XX level or below, and English 1109) and credit hours earned in repeated course work do not count toward the 121 hour minimum requirement for the Bachelor of Arts in Public Affairs.

Note that you can take both “versions” of cross-listed courses (e.g., Comparative Studies 2670/Philosophy 1170); however, since the two versions are in fact the same course, only one may count toward your minimum degree hours.

The number of hours required to complete the Bachelor of Arts in Public Affairs degree will depend on your program and goals.

You may need to plan a program of more than 121 credit hours if you wish to complete specific professional training, are preparing for graduate study in certain disciplines, or have multidisciplinary goals.

If the combination of course work for the GE, prerequisites, and your major program totals fewer than 121 hours, you have many options for the remaining hours, called electives. With your elective hours, you could pursue a second specialization or minor; complete a dual degree program (many dual degree programs have additional requirements); select a set of courses on a specific topic; engage in an undergraduate research experience; complete an internship; or study abroad. You are urged to meet with a Glenn School to work out a plan that best fits your needs and interests.

In no case shall the number of hours required for graduation be fewer than 121.

Within the minimum 121 credit hours:

- No more than 4 may be from physical activities courses taught in Education: Physical Activity and Educational Services (EDU PAES); physical activities courses include all 1100 level EDU PAES courses except for 1102, 1103, 1122, and 1137. A maximum of 8 hours of technical credit may be counted towards your degree requirements.
- A minimum of 30 credit hours earned through regular course enrollment at Ohio State.
- Regular course enrollment at Ohio State and in the John Glenn College of Public Affairs in your final semester.

In addition, you must have:

- A cumulative grade point average (GPA) of at least 2.0 for all work attempted at Ohio State.
- An application for the degree on file in the Glenn College Student Services office in 110 Page Hall

General Education (GE) Requirements

The curricular requirements are divided into five categories for the Bachelor of Arts degree. In fulfilling the GE, you may petition (in advance) to substitute upper-division courses that meet the spirit of the GE for courses on the GE.

If you have transferred to Ohio State from another institution, you can often fulfill part of the GE with approximately equivalent courses already taken. Your transfer course work will be reviewed by the Glenn School, and courses that meet the spirit of the GE will be applied to the GE. You must earn at least a D in a course for it to fulfill a GE requirement. Courses taken on a pass/non-pass or satisfactory/unsatisfactory basis cannot be used to fulfill GE

Exclusivity of GE, Major, and Minor Courses

With the exceptions noted below, courses may not be counted on both the GE and the major (specialization courses included). Courses taken to fulfill GE requirements may count on a minor unless specifically disallowed by an individual minor program. Courses may not be counted on both the major and the minor.

Some GE courses are listed in more than one category; with the exceptions noted below, however, GE courses may not be used to fulfill more than one GE requirement.

Courses Used to Fulfill More than One Requirement

Courses used to fulfill the Diversity Experiences category may also count in another GE category or on the major.

Group Studies and Individual Studies

Group studies (XX94) courses and individual studies (XX93) courses are not acceptable for fulfilling GEC requirements except when a specific experimental course has been approved by the Glenn College Curriculum Committee. If a

JOHN GLENN COLLEGE OF PUBLIC AFFAIRS

course has been approved, it will be listed on this curriculum sheet.

Requirements for the Major

The Public Affairs major program consists of 30 semester hours of required core courses, plus a minimum of 15 credit hours for a specialization track or approved minor.

You must earn at least a C- in a course in order for it to be listed on your major. If you earn a D+, D, or an E in a course that is required for your major, the course cannot be counted toward the major. Your advisor will decide if the course should be repeated or if another course should be substituted for it. Courses taken on a pass/non-pass basis cannot be used on the major.

If you have transferred from another institution, no more than half of the credit hours on your major program may consist of transfer credit. The Glenn School curriculum committee must approve any request for a variation in this policy.

Requirements for a Minor

A minor consists of a minimum of 12 semester hours at the 2000 level and above. Please note that some minor programs require considerably more than 12 hours. At least 6 hours on the minor must be at the upper-division level.

Upper-division courses are defined as classes at the 3000 level or above, Philosophy 2500, all courses taught by departments in mathematical and physical sciences at the 2000 level and above (except for courses numbered 2194), and foreign language courses taught in the language at the 2000 level. 1000-level courses cannot be counted toward the 12 hour minimum. No more than 3 hours of X193 course work may be included in a minor, and no more than 6 hours of transfer credit may be applied to any minor.

No grade below a C- will be permitted in courses constituting a minor. However, you must receive a 2.0 cumulative GPA for all minor course work.

Courses taken on a pass/non-pass basis may not count toward a minor.

Courses used on a minor may not be used on the major.

Overlap between the GEC and a minor is permissible unless specifically disallowed by the department offering the minor.

You may pursue more than one minor. Each minor must contain a minimum of 12 unique (non-overlapping) semester hours.

Once a minor program form is on file in the college office, any changes must be approved by the departmental (minor) advisor.

Minors must be declared at least one term prior to a student's intended graduation term, and students are encouraged to file the minor program form earlier whenever possible.

Requirements for Additional Baccalaureate Degrees

If you are pursuing multiple degrees, the GE requirements for each College must be fulfilled. (For example, a student earning both a BA in Public Affairs and a BS from an Arts and Sciences major is required to complete calculus and a second lab science course, which are not required for the BA, because such course work is required for the BS.) All requirements for the BA in Public Affairs, including the specialization track, must be completed.

No overlap between majors, or between the major and the GE, is permitted.

No more than 6 semester credit hours of any previous minor course work may be used on the major for an additional degree.

You must also petition for approval to pursue an additional degree from both colleges at least a semester before your graduating term.

You should consult your Glenn College advisor regarding the petition process. An approved major program form

JOHN GLENN COLLEGE OF PUBLIC AFFAIRS

must accompany the petition.

Honors Courses

In order to enroll in an honors course, you must be an honors student or have instructor permission. Check the course catalogue (course bulletin) at buckeyelink.osu.edu for a full listing of honors courses. (Honors courses are listed here only if there is no equivalent, non-honors course available or, in the Natural Sciences, if the honors version has a lab and the non-honors version does not have a lab. Honors courses are marked with an "H" after the course number.)
