MPA Exit Requirements

- Fulfillment of credit hour requirements
- Fulfillment of course requirements
- Achievement of a cumulative GPA of at least 3.0 in all courses taken for graduate credit
- Registration during the final semester of the degree program for a minimum of three graduate credit hours
- Submission of the Application to Graduate to the Graduate School, via the GradForms system, by the deadline communicated by the Glenn College
- Please review the Graduate School Handbook for more detail on these requirements

Other Notes:

- MPA students are not permitted to take PUBAFRS 5060, 5062, 6045, 6051, 6055, or 6075.
- The MPA program is an accredited, in-person, professional master's degree program. Students must complete a majority of their coursework in-person to align with accreditation standards. Students are highly recommended to take no more than one core or elective course online per term, and availability of online coursework is not guaranteed.

i With the permission of the Glenn College Graduate Studies Chair, students may count graduate-level graded coursework from outside the college to apply toward their total required elective hour total of 3 credits (e.g. one 3-credit course in most cases).

In order to obtain permission, a student must fill out "Petition to Count Outside Coursework" found at glenn.osu.edu/forms and submit it to their advisor for approval PRIOR to enrolling in the course. You must submit a syllabus from the course you are seeking to take. Please consult with your advisor for ideas and suggestions for coursework that matches your areas of interest.

ii Additional capstone courses may count toward the fulfillment of elective degree requirements. A grade of "C" or higher is required for a capstone course to count as an elective substitution. A grade of "B" or higher is required for the capstone course to count as your MPA exit requirement
